TRELLIS STEEL CONSTRUCTION LTD.
17707 105 Ave NW
Suite 100
Edmonton, AB T5S 1T1, Canada

To Whom It May Concern:

Seko Construction Ltd. has enjoyed a solid working relationship with Trellis Steel Construction Ltd. for many years on numerous Seko related projects requiring steel erection. Trellis is consistent in their work ethic and approach and we have found them to be very reliable and knowledgeable in their field. During the construction/assembly phase of our jobs, we have come to appreciate and rely upon their expertise, guidance and support.

Based on our experience in dealing with them, I would not hesitate in recommending Trellis Steel Construction Ltd. as a great company to deal with.

Should you have any questions regarding our working relationship, feel free to contact me directly.

Yours truly,
